

# Corporate housing for company-paid stays in Abilene.

Polished 3 bed / 2 bath furnished homes for project teams, coordinators, relocation stays, and longer professional assignments.

30+ day stays

Fast Wi-Fi + utilities included

Direct coordinator communication

Professional cleaning available for qualified stays

# A reliable housing option for coordinators who need fewer moving parts.

Abilene Furnished Housing provides full-home furnished monthly stays for companies placing personnel in Abilene. The goal is simple: give coordinators a clean, comfortable, professionally managed housing option without forcing them to manage furniture, utilities, Wi-Fi, setup, or scattered short-term bookings.

## Home type

Modern 3 bed / 2 bath furnished homes

## Stay length

Best fit for 30-180 day stays

## Buyer fit

Company-paid, relocation, insurance, and project stays

## Best fit

- Project managers, supervisors, engineers, technicians, and skilled personnel
- Corporate relocation and temporary assignments
- Insurance displacement and professional monthly stays
- Company-paid or coordinator-managed placements

## Not built for

- Lowest-cost monthly rent searches
- Party or event use
- Unfurnished long-term leases
- One-night or weekend leisure stays

# One housing solution that feels easier to manage.

The coordinator is not only buying beds. They are buying dependability, fewer complaints, a clearer arrival process, and a more professional place for personnel to live during a high-value assignment.

## Full-home setup

Private 3 bed / 2 bath homes with furnished living space, kitchen, laundry, workspace, and residential privacy.

## Direct owner communication

Questions, fit, dates, and billing needs can be handled directly instead of routed through a generic booking platform.

## Utilities included

Fast Wi-Fi, utilities, furniture, and core household setup are already handled before arrival.

## Professional stay profile

Designed for serious monthly stays: project work, relocation, insurance displacement, and company-paid housing needs.

## Cleaning available

Qualified longer stays may include scheduled professional cleaning, depending on stay profile and structure.

## Premium positioning

These homes are not priced like unfurnished rentals. They are built for teams that value reliability, comfort, and speed.

**Coordinator angle:** send dates, expected headcount, stay length, and company/project context. We can quickly confirm fit, current availability, and rate guidance.

## HOME PROFILE

# Modern furnished homes built for longer professional stays.

### Included features

- 3 bed / 2 bath furnished home
- Queen / king bed setup
- Full kitchen
- Washer and dryer
- Fast Wi-Fi
- Utilities included

### Professional-use details

- Dedicated workspace
- Smart TVs
- Keyless entry
- Quiet residential setting
- Convenient access to Abilene job sites
- Arrival details sent before move-in

Exact home availability, photos, and fit are confirmed directly based on dates, stay length, guest profile, and current inventory.

# Premium full-home monthly housing, with rates starting at \$6,000/mo for qualified extended stays.

Rates start at \$6,000/month for qualified furnished corporate/project stays. Final pricing is quoted directly based on dates, number of guests, cleaning needs, company-paid structure, and current availability.

## Starting rate

### Starting at \$6,000/month

Send dates, expected headcount, company/project context, and any special requirements. We will confirm fit, availability, and a direct quote.

## Typical quote inputs

- Move-in date
- Expected stay length
- Headcount and room needs
- Company / project context
- Cleaning and turnover needs
- Pet or special requirements

## Payment structure

- Deposit required before move-in
- Company-paid stays welcome
- Monthly payment cadence available by agreement
- Agreement and arrival instructions handled before occupancy

**Budget fit:** these are full furnished homes. If the target budget is around \$2,000/month, an unfurnished rental, sublet, or lower-service option will usually be a better match.

# Simple process from inquiry to move-in.

**1 Send housing need**

Dates, expected length of stay, company/project context, headcount, and any special requirements.

**2 Confirm fit and availability**

We confirm current home availability, rate guidance, stay structure, and whether the use case is a strong match.

**3 Agreement and payment**

Stay agreement, deposit, monthly payment terms, and company-paid details are handled before move-in.

**4 Arrival coordination**

Arrival instructions are sent before check-in. Direct communication stays available during the stay.

**5 Stay support**

Qualified longer stays may include cleaning coordination and support for extension / renewal needs.
